

### Product Description

Tattoo Care Omega-3 Oil is a brilliant golden yellow oil stabilized with herbal extracts. It is produced using a technology called Internal Stabilization, an outcome of ICSC in-house research and development. It is a 100% vegetable oil, specially designed for cosmetic applications.

This product is specially designed for tattoo care applications. It is a blend of Camelina Oil and High Oleic Rapeseed Oil, which provide an excellent balance of useful fatty acids, including omega-3 and a high content of tocopherols which contributes to its unique oxidative stability. Aloe, curcumin and rosemary extracts are incorporated to the formula, to improve its soothing and healing properties making this product very suitable for tattoo care.

### Product Code, INCI Name and CAS No.

can also easily be incorporated as an ingredient in other cosmetic applications such as anti-wrinkle creams, body lotions, bath foams, sun-care applications and massage creams.

## **Storage**

Keep in a cool (preferably below 10 °C, the cooler the better), dark and dry store-room.

## **Shelf Life**

Under optimal storage conditions, in original unopened drums/containers, minimum five years.

## **Packaging**

Various packaging options available.

## **Animal Testing**

This product does not contain any animal ingredient. There is no contamination of any animal parts during any stage of production, packing and delivery. The product has never been tested on animals, as it is and has always been strict company policy not to test products on animals in any form.

## **Food Grade**

This product is approved as Food Grade.

## **CMR Substances**

This product does not contain CMR compounds of category 1A, 1B or 2.

## **BSE and TSE**

This product does not contain BSE (Bovine Spongiform Encephalopathy) or TSE (Transmissible Spongiform Encephalopathy). No materials of human or animal origin are used or come in contact with the product during the manufacturing and packaging processes.

## **Allergens**

This product contains no fragrance nor food allergens according to the EC 2003/15 or EC Regulation 1169/2011.

## **GMO**

This product is totally GMO free.

## **Nano-Technology**

This product has been manufactured without use of any kind of Nano-technology and does not contain ingredients resulting therefrom.

## **Irradiation**

This product has not been subjected to irradiation or radioactivity.

## **Sewer Sludge**

The specie, this product originates from, has been grown without use of sewer sludge.

### **OUR QUALITY - YOUR STRENGTH**

To the best of our knowledge the information contained herein is correct. However, no responsibility or liability for any consequences arising from its use can be accepted, including possible patent infringement or other rights belonging to another party. Users should make their own tests for their purposes.

## **PROP 65**

This product is devoid of the materials in the Californian Safe Program Proposition 65.

## **Responsible Sourcing Statement**

This product is produced under safe conditions in compliance with social and environmental rules by authorized suppliers using voluntary labor.

## **Nagoya**

This product is sourced from a country which complies with the Nagoya protocol and is not endangered according to the Access/Benefit Sharing (Biodiversity) regulation.

## **OUR QUALITY - YOUR STRENGTH**
